About This Game

Over our lands once again in danger.

The enemy broke through the border, destroying everything in its path. Your task is tactically right to put the defenses and destroy the enemy. And remember, with each level the enemy is becoming stronger. Let's punish the aggressor together! Our future depends on you, soldier!

Limit Of Defense combines the arcade game on the type "Tower Defense" military strategy.

A simple and addictive time killer.

- simple gameplay
- 40 colorful levels
- 6 types of defensive weapons
- 4 additional super weapons
- a variety of enemies
- nice dynamic music
